Fixed or Adjustable RTD

Rigid or Flexible RTD Fixed or Adjustable Depth Bushing Mount

Introduction

Bushing mounted RTDs are available with rigid tube or flexible armor. The process mounting bushing can be brazed on the tube in the position ("U" dimension) specified on your order; or you can order and adjustable bushing held by a compression fitting. The adjustable bushing allows you to set the immersion depth when you install the probe.

Fields 5, 6. PROTECTION Fields 5, 6. PROTECTION Fields 5, 6. PROTECTION	Fields 10, 11, 12,		
Model P5 or Model P7		<u>Up to 36"</u>	Ea. Add'l 6"
31 - No lead, or lead with stainless ste			
33 - Leadwire with flexible armor	Single element	\$4.00	\$0.85
	Dual element	\$4.00	\$1.30
Model P8			
31 - No lead, or lead with stainless ste			
33 - Leadwire with flexible armor	Single element	\$4.00	\$1.10
	Dual element	\$4.00	\$1.55
Fields 7 COLD END TERMINATION		<u>Single</u>	
			<u>Element</u>
0 - 2-1/2" split leads, ends stripped			
1 - 2-1/2" split leads, spade lugs		\$0	\$0
2 - 2-1/2" split leads, spade lugs, 1/2" NPS box connector			
with lock nut			
3 - Solid pin quick disconnect plug		\$13.30	\$26.60
4 - Solid pin quick disconnect plug			
with mating jack		\$31.55	\$63.10
Extended Lead (DIMENSION "L")			
F - 12", split ends stripped		\$1.30	\$2.50
G - 24", split ends stripped		\$2.50	\$5.00
H - 48", split ends stripped		\$5.00	\$10.00
J - 96", split ends stripped		\$10.00	\$20.20
K - 144", split ends stripped		\$15.00	\$30.25
For other lengths, consult factory			
Fields 8, 9. RIGID LENGTH (DIMENSI	ON "X")*	<u>Up to 6"</u>	Ea. Add'l 6"
XX - Length in whole inches (02" minin			
*Total assembly length over 4 feet introduces an offset in sensed temperature of			
approximately 1-1/4°F per 10 feet over 4 feet.			
Field 10, 11, 12. FLEXIBLE LENGTH (DIMENSION "Y")*			
Complete these Fields to determine length for Fields 5, 6			
000 - None. Used only with Field 7, code 3 or 4\$0			
YYY - Actual length in whole inches			\$0
Field 13. ATTACHING DEVICE (DIME	NSION "U")		
0 - None			T -
2 - 1/8" nickel plated brass compress			
3 - 1/8" stainless steel compression f			\$9.00
8 - Brazed 1/8" NPT fitting for fixed d			
See illustration. Specify "U" dime			
9 - Other stocked compression fitting	s or bushings		Consult factory
